Your Life - Enhanced...

Our primary goal is to provide you with surroundings and services that will enhance your life. You'll have the best of many worlds at your new home. You will have people who care close by when you need someone, other residents in close proximity for friendship and companionship, meals prepared for you daily and specialized services available to meet your needs now and as they change. We want to help you make a successful transition to your new lifestyle, so that it will truly become a new home you will enjoy.

Wintersong Village

Important Decisions...

At Wintersong Village, we understand that the decision to move to a nursing facility can be overwhelming – with concerns ranging from affordability to security to the ability to maintain and enjoy an independent lifestyle. Making a move at any point in your life can be stressful. Our goal is to provide you with as much information and assurance as possible so you can research your options and feel more confident with your final decision. We'll introduce you to our beautiful facility and help you assess what personalized services you'll require to help you thrive in your new home. We welcome you to involve your family and friends in the process of creating and implementing a cost-effective care plan that meets all of your expectations to help restore your independence.

Rehabilitation at Wintersong Village...

Your hometown Rehab facility where
YOUR GOALS ARE OUR GOALS!

The Indiana Fitness Works Team at Wintersong Village is comprised of experienced therapists including speech-language pathologists, physical therapists, physical therapists assistants, occupational therapists, certified occupational therapy assistants and a rehab technician. Our backgrounds are diverse which gives us the experience and know how to treat a variety of debilitating conditions and provide goal oriented rehabilitation. We provide treatment for the following list of conditions:

- ~ Knee and Hip Replacements (Short Term Rehab)
- ~ Cerebral Vascular Accidents aka Stroke (Short Term Rehab)
- ~ Peripheral Neuropathy
- ~ Rheumatoid and Osteoarthritis
- ~ Urinary Incontinence

As well as many other conditions such as Parkinson's, Dementia, and Alzheimer's.

We also offer Accelerated Care Plus which is cutting edge modalities such as short wave diathermy, ultrasound and eight different types of electrical stimulation to speed your recovery process and decrease pain while recovering. Our therapists focus on individually tailored care for each resident. Our therapy plan is based around the patients' goals. We strive to help you get back to where you want to be and reach your highest potential.

Please allow us to be your first choice for Short-term Rehabilitation and Long-term Care. We pride ourselves on meeting YOUR goals!

Our Facility...

Wintersong Village is a facility with lovely decor and private rooms available conveniently located in Knox, IN, with close proximity to Physician Offices, Hemodialysis and Hospital.

We offer the following rooms to meet the individual needs and preferences of you and your loved one.

Skilled Care / Intermediate Care Private & Semi-Private Rooms

We work hard to create an atmosphere where healing and wholeness take place and where the happiness and comfort of our residents is our primary concern. We believe that specialized care is not only for the body and mind, but for the spirit of our residents
